1. DESCRIPTION

Gujarat Gas Limited, is a Group Company of Gujarat State Petroleum Corporation Ltd., (State Government undertaking) is supplying natural gas to automobile, industrial, commercial and domestic consumers including CNG stations in various cities pan Gujarat, DNH(Union Territory) and Thane(in Maharashtra).

The intent of this specification is to establish RECOMMENDED VENDOR for purchase items directly by them or any others agency appointed by them such as contractor/ vendor.

Owner reserves the right to make any changes in recommended vendor list by adding or delete or holding of vendor during execution of work.

2. DEFINITIONS

In the Bid / Contract (as hereinafter defined) the following words and expressions shall have the meanings hereby assigned to them except where the context otherwise requires.

- a. The **"GGL"** or **"Company"** or **"Owner"** shall mean GUJARAT GAS LIMITED (GGL), incorporated under company's Act 1956 having its registered office at 3rd Floor, Block No. 15, Udyog Bhavan, Sector-11, Gandhinagar - 382010, Gujarat, hereinafter mentioned as **"OWNER"** which expression shall, unless repugnant to the context or meaning or meaning thereof, include all its successors, administrators, executors and assigns.
- b. The **"Bid"** shall mean the Bid submitted by the CONTRACTOR for acceptance by the GGL. The **"Contract"** shall mean the agreement and all other documents between the company and the contractor for providing the services mentioned herein.
- c. The **"GGL Engineer-In-Charge"** or **"GGL's representative"** shall mean the person designated as such by the Gujarat Gas Limited and shall include his authorized nominee or agent, provided however that the GGL's Representative to be so designated by GGL may be one person for certain aspects of this agreement and another person for other aspects of work covered by this Bid / Contract.
- d. **"Stores"** shall mean the Companies Stores located at various location of Gujarat.
- e. The **"Specification"** shall mean all directions, the various technical specifications, provisions attached and referred to in the Bid documents which pertain to the method and manner of performing the work or works to the quantities and qualities of the work or works and the materials to be furnished under the contract or works or works as may be amplified or modified by the COMPANY during the performance of Contract in order to provide the unforeseen conditions or in the best interests of the work or works. It shall also include the latest edition of relevant standard specifications including all addenda / corrigenda published before entering into the contract.
- f. **"Guarantee"** shall mean the period and other conditions governing the warranty / guarantee in respect of the work as detailed in section hereunder.
- g. **"HSE"** shall mean Health, Safety & Environment.

- h. **"GGL's Premises"** or **"Owner's Premises"** shall mean company's premise or its customer's premises where work is to be executed.
- i. **"SITE"** shall mean the location to be designated by OWNER or any other place on, under, in or through which the WORK or any part of WORK to be performed and other obligations under this CONTRACT.
- j. **"OEM"** shall mean Original Equipment Manufacturer

3. METHODOLOGY FOLLOWED:-

The vendor list is compiled including the following:-

- Approved vendor list of erstwhile GSPC Gas included in PE-PNG Tender.
- Approved vendors of erstwhile GGCL.

Note:-

- This vendor list shall be used by contractors/vendors for procurement of bought-out materials; which are not procured by GGL.
- In addition; Tenders shall be floated by GGL based on this vendor list and based on the response of the vendors, the list shall be modified from time to time.

IMPORTANT NOTES TO VENDOR LIST

1. Bidders to adhere strictly to the vendor list. No deviation shall be accepted without prior approval from Owner.
2. The details of recommended Vendors indicated in this list are based on the information available with Owner & Owner's representative. Contractor shall verify capabilities of each vendor for producing the required quantity with vendor. Owner & Owner's representative does not guarantee any responsibility on the performance of the Vendor; it is the contractor responsibility to verify the correct status of vendor and quality control of each vendor.
3. For any items, if the vendor names are not available, it is the responsibility of the contractor to submit the credentials of at least three vendors for approval.
