

GUJARAT GAS

Steps to access N-Procure portal thru Gujarat Gas (GGL) website

Step-1 – Click on “Current Tenders”.

The screenshot shows the Gujarat Gas website interface. At the top, there is a navigation bar with the company logo and name, and a red button labeled "EASE OF DOING BUSINESS". Below this is a main navigation menu with links for Home, Knowledge Center, Media, CSR, News & Updates, Downloads, Useful Links, and Customer Login. A secondary menu includes ABOUT US, OUR BUSINESS, INVESTORS, CORPORATE GOVERNANCE, HSE, VENDORS, CAREERS, and CONTACT US. The main content area features a large banner for the "Asia Pacific HRM Congress Awards 2018" with a photo of an award ceremony. A dropdown menu is open over the banner, listing "Current Tenders" and "Expression of Interest (EOI)". To the right of the banner is a vertical sidebar with various service links: Know your Gas Bill, Pay Your Bill Online, Bill Payment Options, Submit Meter Reading, Emergency Helpline, Nearest CNG Stations, Customer Care Centres, and Update Contact Details. At the bottom, there is a blue navigation bar with links for PNG - DOMESTIC, PNG - INDUSTRIAL, PNG - COMMERCIAL, and CNG.

Step-2 - Below screen will appear.

Step-3 – Click on “Setting Button”

- Available at Top Right Corner & Select “Compatibility View Settings”

The screenshot shows an Internet Explorer browser window with the address bar displaying <https://ggl.nprocure.com/IEDownload.asp>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. A context menu is open in the top right corner, with "Compatibility View settings" highlighted. The main content area displays an error message: "There seems to be a problem processing your request at this moment." Below this message are two sections: "Most likely causes:" and "Possible resolution:". The "Most likely causes:" section lists three items: "Internet connectivity has been lost.", "The web server did not get complete response from the client.", and "The Domain Name Server (DNS) is not reachable and hence not able to resolve nprocure URL." The "Possible resolution:" section lists two items: "You can retry the operation once again." and "You can logout and login once again." At the bottom of the error message, it says "If the above does not resolve your problem, kindly contact our helpdesk."

There seems to be a problem processing your request at this moment.

Most likely causes:

- Internet connectivity has been lost.
- The web server did not get complete response from the client.
- The Domain Name Server (DNS) is not reachable and hence not able to resolve nprocure URL.

Possible resolution:

- You can retry the operation once again.
- You can logout and login once again.

If the above does not resolve your problem, kindly contact our helpdesk.

Step-4 – Below dialog Box will open, In the tab “Add this website”.

- It will be pre-filled or write as “nprocure.com” & Click on “Add”.

Step-5 – The site will be added in the compatibility view. & Click “Close” tab.

- **Step-6 – Again Click on “Current Tenders” at Gujarat Gas Website.**
- **This will allow to reach the nprocure.com portal.**

Thanks...
