Gujarat Gas Ltd. & Waree Energy collaborates for Sustainable Energy Solutions and Reduce the Carbon Footprint

Gujarat Gas has signed Gas Sales Agreement for PNG Supply of 50,000 scmd with Waaree Energy at Valsad, Gujarat

Gujarat Gas Limited collaborates with Waaree Energy with signing of Gas Sales Agreement for PNG supply of 50,000 scmd for its Lithium-ion cells manufacturing unit at Valsad, Gujarat. This partnership will pave the way for sustainable energy solutions and reduce the carbon footprint paving way for sustainable energy thereby improving quality of present and future human life. This plant is under construction and is expected to be commissioned in Q4 of current FY 25-26.

At present, India is heavily dependent upon imports for Lithium-ion batteries. But as per report of CareEdge, India's import dependence of lithium-ion battery will drop to 20% by FY 2026-27. Lithium Ion batteries are commonly used in Electric vehicles, portable electronics and Battery Energy Storage Systems (BESS). BESS is a sunrise sectors helping to stabilize the grid and integrate renewable energy sources.

This partnership of Gujarat Gas and Waaree Group shall contribute significantly to sustainability and empowers a greener future.
