

GUJARAT GAS

Quality Policy

Gujarat Gas Limited is India's largest City Gas Distribution Company engaged in distribution of Piped Natural Gas (PNG) to Domestic, Commercial, Industrial Segment and Compressed Natural Gas (CNG).

Gujarat Gas Limited is committed to

- Providing safe and uninterrupted supply of Natural Gas to its valued customers as a preferred energy solution
- Undertaking necessary efforts to reach out to every possible Natural Gas user in its area of operations

This is achieved by

- Optimum maintenance and uptime of assets
- Ensuring proper process control
- Establishing & implementing an effective system for managing risks and changes
- Enhancing competency of people by way of identified training programs
- Compliance to legal, statutory and regulatory requirements
- Understanding and monitoring needs & expectations of stakeholders
- Continual improvement of Quality Management System
